GOLDEN CLIMBER (Mrs. Arthur Curtiss James 'U. S. Plant Patent No. 28)

A true climber with rich golden blossoms of the Hybrid Tea type, which hold their color. These blooms are usually produced singly on stems frequently twenty-four inches long. As a cut flower it has no equal. The pointed buds of rich gold are flecked with dashes of orange-scarlet. The China Tea fragrance of Golden Climber is a delicate refinement.

Golden Climber is a hardy, vigorous grower that establishes itself readily and is well withstand sub-zero temperatures. It blooms through an exceptionally long period. $2.00
Here are five outstanding dependable Hybrid Tea roses that bloom continuously through the summer.

$2.00 for the five.

Customers may substitute any other five varieties of roses from our regular catalog at the above prices if desired.

Consult our regular catalog for other varieties of roses we have to offer.

Northern Grown First Quality Roses Are Sold At Our Nursery
TREES AND SHRUBS OF USE

Which Will Lend Charm and Beauty

Cornus florida rubra
Pink Flowering Tree Dogwood
One of the best flowering lawn trees

Price $2.00 to $5.00 Each

Magnolia soulangeana
Welcomed for their early flowers

Japanese Flowering Cherries
There are many varieties and colors, from white to very dark pink

Coniferous and Broad Leaved Evergreens
Provide Color in Summer and in Winter

Daphne cneorum
Garland Flower
Probably no one plant has grown in popularity more rapidly than this little evergreen shrub. It blooms profusely in May and June, and frequently thereafter during the later months, in fact, the flowers often come as late as December and are not harmed by early frosts.

Taxus cuspidata capitata
Considered the most beautiful of the Yews for almost every type of planting, where an erect spreading tree is desired. It tolerates shade and holds its rich dark green color well throughout the winter. They produce many red berries in the fall.

Thuja occidentalis rosenthali
One of the best of the pyramid type. It makes a compact, broad, symmetrical pyramid and is very useful for formal plantings and specimens. The foliage, which is a lustrous, dark green, retains its color throughout the entire winter.

Rhododendrons
We specialize in Rhododendrons. Varieties Catawbiense, Catawbiense compacta, Carolinaeum, Maximum and many varieties of hybrids.
Azalea calendulacea (lutea)
Flame Azalea

The gayest and most brilliant of the Azaleas, with flowers of orange-yellow or flame-red, which appear before the leaves.

E U O N Y M U S
ALATUS
COMPACTA
Winged Euonymus, Showing Gorgeous Fall Coloring

A very choice dwarf, compact shrub which is unquestionably one of the best deciduous shrubs for growing in the shade. For a low wide hedge this plant has no equal.

VIBURNUM CARLESI
May-Flowering Viburnum

Resembling its namesake, the Mayflower, in fragrance and blossom, this shrub is a favorite wherever it is planted. The flowers appear with the leaves in early May.

HYBRID FRENCH LILACS

These beautiful Lilacs are adapted to large or small lawns. They require very little care and attention and can be depended upon each year for a profusion of colorful, fragrant panicles of bloom.

OCTOBER GIRL

This most prolific flowering variety is of vigorous and branchy habit. The flowers are single or semi-double, fully 2 inches across, pink on opening, becoming shaded with lavender when fully opened. In full flower by Oct. 1.

VIOLA, Imperial Blue

FLOWERS ARE LARGER AND DEEPER BLUE THAN JERSEY GEM, WITH LONGER STEM.

ADAMS NURSERY CO., Westfield, Mass.
Our Display Gardens Will Suggest a Solution
For Practically Every Planting Problem . . .

We publish a complete catalog giving descriptions and prices of all plants handled at our nurseries.
